THANK YOU to our sponsors, partners, volunteers, and esteemed guests for joining us Saturday, September 7.

We are grateful to have spent the evening with you all celebrating 25 years of service and honoring our community and captains of industry. Special thanks to all of those who purchased items through the Silent and Live Auction. Your contributions create many new opportunities in education, economic development, and training for minorities throughout the community.

Together, Let's Continue to Rise by Lifting Others!
